The Huawei RH2288A V2 and Huawei RH1288A V2 are electronically equivalent.

The results have been measured on a Huawei RH2288A V2 model

This benchmark result is intended to provide perspective on past performance using the historical software described on this result page

The system as described on this result page was formerly generally available. At the time of this publication, it may not be shipping, and/or may not be supported, and/or may fail to meet other tests of General Availability described in the
