As an Affiliate of another SPEC member company, I/we have indicated per SPEC's Bylaws, Section 2.1.1 (below), I/we have the following affiliates who are currently members of the SPEC group(s) we seek to join. I/We indicated which Primary contact will serve as the designated voting representative for the set of affiliates of which I/we hold membership.

Section 2.1.1 Affiliate Membership and Voting Rights

An Affiliate of a Member shall be free to join the Corporation as a Member. However, a Member and its Affiliate(s) (including Affiliate(s) of an Affiliate) shall be deemed a single Member for purposes of (1) any vote of the Members of a designated Group, Committee, Work Group, or any other sub-group of the Corporation where they otherwise participate as peers; and (2) having a seat on the Board of Directors.

"Affiliate" means any legal entity that directly or indirectly controls another entity via beneficial ownership of more than fifty percent (50%) of voting power or equity in another entity ("Control"), or is Controlled by another entity or is under common Control with another entity, so long as such Control exists. Note: The term affiliate is only used when the specific entities (members or prospective members) under discussion have such a relationship between them as described in this definition.

When a Member and its Affiliate(s) would have or appear to have two or more votes on a matter within a Group, Committee, Work Group, or other sub-group if they were not affiliates, the Member and its Affiliate(s) shall designate a single voting representative in a written notice to the Board of Directors and to the relevant group or committee Chairperson.
